WELCOME

CALL TO WORSHIP

But blessed is the one who trusts in the Lord, whose confidence is in him.
They will be like a tree planted by the water that sends out its roots by the stream.
It does not fear when heat comes; its leaves are always green.
It has no worries in a year of drought and never fails to bear fruit.
Jeremiah 17: 7-8

Rooted Sermon Series

A rooted life is one that flourishes from the inside out. In our fast-paced, ever-changing world, it can be difficult to put down deep roots, and to remember that our connection to Christ is what will truly fuel our souls. Like branches rooted in a vine, when we are rooted in Christ, his life flows through us, enabling us to bear fruit that lasts. A rooted life anchors us in the things that truly matter. As we enter into a season of transition as a church community, let's find our hope rooted in things that do not change, things that tether us to Christ and to one another. Let's be deeply rooted people who "encourage one another daily to follow in the way of Jesus."
