

—LYNDSAY LEE SLOCUM—

- Lyndsay grew up outside of Columbia, South Carolina, and graduated from Presbyterian College with a degree in Christian Education.
- She graduated from Columbia Theological Seminary in 2004 with a Master of Divinity. During seminary, she interned at Peachtree Church.
- Lyndsay joined the staff of Roswell Presbyterian in 2005 and serves as Executive Pastor. She is currently pursuing a Doctor of Ministry at Columbia Theological Seminary.

I was ordained at Roswell Presbyterian Church, where I am still serving 18 years later. Daily I both marvel at how God is constantly at work, but also beg God to be about the reconciliatory work that our lives and our very world so desperately need. I believe the church is a critical part of our faith as a community. Here we need each other, celebrate each other, care for one another, get irritated with one another, wrestle with each other, hold one another through the good and the hard. Even more than that, we participate in the work that God has called us to do in and with the world. What a fantastic and overwhelming call it is to be a part of the church!

Lyndsay is married to Scott and they have three boys, Drew, Brandon and Charlie, and a puppy named Crash. Lyndsay and Scott met at Peachtree Church when she was an intern and he was going on session and they have been married for almost 20 years! The things she cherishes most include moments of deep laughter that make her eyes water and her stomach muscles sore, the fact that her boys will still hug her in public, almost any kind of cheese, sharing the table with others as sacrament and holy connection, and the transformative grace of Jesus Christ as she witnesses it in unexpected places.

The roles and responsibilities stated in the Ministry Information Form (or MIF) for the Lead Pastor of Kairos Church are included below. We are encouraged by the alignment of the needs of our community and the strengths and gifts Lyndsay brings as an experienced pastor and ministry leader.

- Shepherd the community in living out its long-term mission of **encouraging one another daily to follow in the way of Jesus.**
- Proclaim the gospel through **Christ-centered sermons** that reflect the truth found in Scripture.
- **Equip the members of the Kairos community** to actively serve in the life of the church and **live out their ministry outside the church doors.**
- Provide **spiritual and pastoral care** for members of our community through both **deep relationships** and making connections between people.
- Preside over the **planning of worship services** and participate in the spiritual growth, discipleship, and life of the community.
- **Equip and encourage staff** in their gifts to create a healthy, energized, and collaborative team.
- Provide **administrative leadership**, including oversight of the church's facilities and finances.
- Serve as **moderator of our Leadership Team** and assist it and ministry teams in the governance, mission, and ministry of the church.

HOW WE CAN PRAY

- Pray for Lyndsay as she transitions from her role as Executive Pastor of Roswell Presbyterian Church and says goodbye to colleagues and a community of which she's been a part for nearly 20 years.
- Pray for Scott, Drew, Brandon, and Charlie as they move to a new church home.
- Pray to prepare the hearts of our community to welcome Lyndsay and her family

Dear friends, I cannot overstate how honored and humbled I am that you have called me to be the next Lead Pastor at Kairos Church. My very soul is overflowing with gratitude. Can you even believe that I get to be part of this fantastic story that God has been writing for the Kairos faith community?!? What an incredible communion of saints I now get to count myself among!
