

Kairos Family,

The Leadership Team at Kairos Church — our church's governing body — has spent the past year in prayer and discernment, setting goals and priorities for our future. At our recent open meeting, we shared the fruits of that work and invited everyone to join us in committing to service and financial generosity so that together we can pursue these goals.

As God continues to add new faces to our community, it is crucial that we grow with intention. We want to expand in ways that honor who we are at our core — keeping the intimacy and authentic community we so dearly love — while also celebrating that more and more people want to live and love like Jesus as part of the Kairos family.

- To guide this next season, the Leadership Team, Staff, and Strategic Planning Steering Team have identified three strategic priorities:
- The need for more effective and coordinated communication to foster connection and understanding.
- The call to expand and strengthen our missions work to better reflect our commitment to meaningful service.
- The importance of creating opportunities for spiritual growth and deeper engagement.

A detailed description of each priority — along with the goals and tactics — is included in [this document](#).

We are excited about the ways we see God at work in and through Kairos, impacting our city and beyond. And we know that to fully embrace these priorities, we need everyone's commitment to financial generosity. Recording your 2026 operating budget commitment helps us plan wisely and move forward confidently. Please prayerfully consider how your household can contribute.

In addition, we have identified a number of one-time expenses outside the operating budget. Covering these costs allows us to move more quickly toward our goals while keeping the operating budget focused on ongoing ministry. We invite you to consider making an over-and-above gift to Kairos NEXT, fueling these strategic next steps.

[Here is the link](#) to record your commitments.

Together, we believe God is calling us to a future filled with hope, growth, and impact. Thank you for being part of this journey. I am honored to get to journey alongside you in this community!

With gratitude,
Lyndsay
